Term 3 Week 1

Thursday, 20th July 2017

A New Start

How many of you like the feeling of getting something new? Whether you purchase it yourself or unwrap it, the emotion is the same - excitement and joy! Admittedly, there are sometimes moments of anxiety if you were the one who bought the gift as you watch the recipient unwrap the gift - will they like it? Will they appreciate the effort employed to get the perfect gift? These thoughts and feelings can sometimes occur when starting a new chapter in your life or when you experience things in life for the first time.

This term at Heritage College we have some new gifts for students and families. At the secondary campus we have two gifts called Miss Elouise Slattery, who will be filling in for Mrs Ana Ferry and Mr Rhys Holton who is filling in for Mr Nathanael Capon, whilst they are both on long service leave.

We are also welcoming Miss Elsa Cangy this term, who is our new Welfare Officer. At the NWS Campus we have Mrs Rachel Aiono, who will be teaching in Year 1W on a Wednesday, and we have a delivery of Mrs Evelyn Charles teaching for Mrs Joanne Capon, whilst she is also on long service leave. We also welcome Naomi Thomas to the Admin Team.

We also have new Learning Assistants to unwrap! We have Mrs Glenore Clayton who will spring into action at Narre Warren South for three days a week and Miss Kutenda Ngundu who will be working as a Learning Assistant in the Secondary school. Finally, we have Mrs Janine Smilek who will continue to work as a Learning Assistant in the Primary school at Officer.

But wait there's more - also at the Officer Campus, outside the Library, is a line of standing pillars showing the College house colours and the College values of Excellence, Resilience, Respect and Service.

And there's still more, you will notice changes in the Library at Officer secondary, changes to the bell system, changes to the speaker system throughout the College, changes to

the ELC bells, sign additions and more.

So, welcome back again to a new term, with lots of new people, new learning opportunities, and new and exciting things to experience. Go Term 3!!

REAL SCHOOLS PARENT INFORMATION SESSION BULLY PROOFING YOUR CHILD

School - **HERITAGE COLLEGE**
Date & Time - **Tuesday, 22nd August 2017 at 6pm**

real
schools

Australian Parents are very concerned about Bullying and what the implications are for their children. It's likely that you are too. And for most Parents, it's the absence of any knowledge of the plan to prevent and respond to bullying that causes the most worry and stress. We can do something about that and we want you to be involved.

What you can expect from our Parent Information Session:

- Information on what bullying is in today's schools and how it can be prevented.
- Strategies that the school is using to prevent bullying from impacting your child's learning.
- Ways that Parents can support a child who is bullied ... and also how they can help a child who does the bullying.
- Deep knowledge of how we are using restorative approaches at the school to respond when bullying rears its ugly head.
- A sound understanding of how the home environment plays a critical role in bullying prevention.

Wonderful School Holidays at the ELC

The ELC at Officer had wonderful school holidays, filled with fun activities and outside adventures.

The first week was Dr. Seuss themed, while the second week had a focus on animals. We took a trip to Emerald Lake where we saw lots of ducks, Puffing Billy, played on the playground, explored around the lake and had a picnic lunch.

We had a special visitor from Baloo, Miss Ashlyn's puppy, who we were able to pat and train with treats. We also had a treasure hunt around the campus and looked under rocks to find some creepy crawlies.

We were blessed with beautiful weather for our excursion and outside adventures.
